UEW ANTHEM

THE VICTORY ANTHEM (Composed by Dr. C.W.K. Mereku)

We Hail You, Oh UEW
 Your Name is in our hearts
 We uphold You, and are proud of You
 For You'll make the Nation's Teachers strong
 Our Love for You arouses us
 To nobler thoughts, to nobler words, to nobler deeds,
 And to nobler heights;
 We shall learn to serve
 UEW shall grow
 By the power
 By the power of God.

REFRAIN:

"Victory, shall be ours"
 We shall fight, fight on and succeed.

GHANA NATIONAL ANTHEM

1

God bless our homeland Ghana,
And make our nation great and strong;
Bold to defend forever,
The cause of freedom and of right
Fill our hearts with true humility
Make us cherish fearless honesty,
And help us to resist oppressor's rule
With all our will and might for evermore.

2

Hail to thy name, O Ghana,
To thee we make our solemn vow,
Steadfast to build together
A nation strong in unity
With our gifts of mind and strength of arm,
Whether night or day; in mist or storm,
In every need whatever the call may be
To serve thee Ghana now and evermore.

3

Raise high the flag of Ghana,
And one with Africa advance,
Black Star of hope and honour,
To all the banner of Ghana freely flies,
May the way to freedom truly lie.
Arise, arise, O sons of Ghanaland
And under God march on for evermore.

Brief History

The University of Education, Winneba (UEW) was established in September, 1992 as a University College under PNDC Law 322. On 14th May, 2004 the University of Education Act, Act 672 was enacted to upgrade the status of the University College of Education of Winneba to the status of a full University

The University College of Education of Winneba brought together seven diploma awarding colleges located in different towns under one umbrella institution. These Colleges were the Advanced Teacher Training College, the Specialist Training College and the National Academy of Music, all at Winneba; the School of Ghana Languages, Ajumako; College of Special Education, Akwapim-Mampong; the Advanced Technical Training College, Kumasi; and the St. Andrews Agricultural Training College, Mampong-Ashanti.

The three sites in Winneba now referred to as the Winneba campus is the seat of the Vice-Chancellor with satellite campuses at Kumasi, Mampong and Ajumako. The total staffing position is 1,911 while the student population is over 45,000.

The University Logo

The principal motif of the University Crest, the “Adinkra Ntesie” is a Ghanaian cultural symbol associated with wisdom and knowledge as the essential ingredients of education. Arising from the “Adinkra” is a torch radiating its light in all directions, suggesting that the knowledge nurtured at the University would become a source of enlightenment to all people far and wide. It is a flame that would dispel the darkness of ignorance.

The Starburst motif of the Crest is made up of different wave lengths and conveys the idea that teachers trained by the University would disperse into every corner of the country and render services to all Ghanaians irrespective of social status, religion or sex.

The red colour combines with the blue against a background of pure white to symbolise hard work and perseverance. All the symbols are set in a circle bearing the motto: Education for Service and symbolising the completeness of training at the University of Education, Winneba.

MISSION

To train competent professional teachers for all levels of education as well as conduct research, disseminate knowledge and contribute to educational policy and development

VISION

To be an internationally reputable institution for teacher education and research

SPECIAL STATUS AND MANDATE

The University is charged with the responsibility of producing professional educators to spearhead a new national vision of education aimed at redirecting Ghana's efforts along the path of rapid economic and social development. The University of Education, Winneba is expected to play a leading role in the country's drive to produce scholars whose knowledge would be fully responsive to the realities and exigencies of contemporary Ghana and the West African sub-region.
