PREFACE

The School of Business First Batch Master of Business Administration (MBA) Students directory contains the School of Business Graduate Programmes and Courses, the Departments, Abbreviations, School of Graduate Studies (SGS) responsibilities, the Graduate Coordinator responsibilities, the Graduate students' responsibilities, the Lecturers, List of MBA graduands, their Profiles and Contacts, the impact of the MBA programme, Graduation Pictures, Postgraduate Admission Application Procedure, copyright and References.

The School of Business graduated their first batch of Master of Business Administration Students in December 2021. During the 26th Congregation, thirty-three (33) students who have completed their course work, and dissertations were presented for the

award of honours in their various programmes of study. All the thirty-three MBA graduates had their certificates the same day of graduation. The remaining five (5) students will be graduating with the second batch of the 26th Congregation, in April 2022

The Graduate Students are expected to be familiar with all academic regulations, and their responsibilities as graduate students. These were made available on the University Policies and Programmes (UPPS) Handbook. The School of Graduate Studies shared the responsibilities for postgraduate programmes with the faculties, schools, colleges, and departments and it can be found on the University website. (Graduate Handbook).

The School of Business Graduate Pioneers Directory will be updated as the number of Graduate programmes and students increases annually. It will be published on the University website and also be available in print form at the School of Business Dean's office and the Graduate Coordinators Office.

This MBA Pioneer's directory was prepared by the School of Business, Office of the Graduate Coordinator.

All comments and suggestions are welcome. The Staff of UEW, Staff of SoB, Postgraduate students, faculty and administrative staff can send any comments to deansgs@uew.edu.gh, businessschool@uew.edu.gh, graduateschool@uew.edu.gh

Prof. Awaisu Imurana Braimah
The Dean
School of Business
University of Education, Winneba

ACKNOWLEDGEMENTS

The School of Business, UEW owes an enormous debt of gratitude and sincere appreciation to the University Management: the Former Vice-Chancellor Rev. Father Prof. Anthony Afful Broni (PhD), the Acting Vice-Chancellor and Pro-Vice-Chancellor Prof. Andrews Ofori-Birikorang (PhD), and many others for their continuous support towards the start of graduate programmes in the School. May the Good Lord continue to bless them. We appreciate your support, time, and efforts.

Again, the school is very much grateful to the Dean, Prof. Awaisu Imurana Braimah who in his administration the graduate programmes started. Currently, the school has Thirteen (13) Graduate Programmes and through his support and guidance as Dean of the Business School, several BBA programmes were introduced in the Departments. May God continue to bless Prof and the School of Business will forever remain grateful to you.

We express our sincere thanks and appreciation to Prof. Christopher Adjei Okpoti who under his auspices the school was formed. As the Founding

Dean of SoB, your contribution to the success of the School is very much appreciated. We are forever grateful to you Prof.

Also, the school acknowledged the good work of Dr. Bernard B. B. Bingab, the current Dean for Student Affairs of the University who was coordinating the affairs of the Master of Business Administration students before the appointment of the Graduate Coordinator when he became Vice Dean of the School. Sincere thanks also to Dr. Isaac Brako and Mr Samuel Gameli Gadzo, former Heads of Department for the Management Sciences and Accounting respectively who helped in spearheading the programmes (MBA HRM and MBA Accounting).

Further thanks and appreciation goes to the Acting Vice Dean Dr. Joseph Ato Forson and the Departmental Heads for their continued support towards the Graduate Programmes. Again, the work of the Faculty Examination Officer Dr. Richard Oduro, and the Departmental Exam Officers, Dr. Emmanuel Okofo-Dartey, Mr Ibrahim Anyass Ahmed, Madam Evelyn Twumasi, and Mr Evans Kyeremeh is highly appreciated.

We wish to acknowledge the immeasurable support of all SoB staff for their continuous support throughout the preparation and graduation process of the pioneers MBA Students. The Supervisors and Internal Examiners, Mr. P.P Kwamena Mbir Taylor; Faculty officer, the Administrators; Ms. Felicia Kpedekpo, Mrs. Phyllis A. Osei, Ms. Antoinette Amegbor Smith, and Ms. Joyce Ohemeng Peprah. Thank you all for the necessary support. We are grateful.

We also express our sincere thanks and appreciation to the Registrar, Surv. Paul Osei-Barima Esq; Deputy Registrar Division of Human Resource, Mrs Deborah Afful; Deputy Registrar Academic Affairs, Mr. Collins Owusu-Ansah; Deputy Registrar, Public Relations and Communication; Mr. Kofi Asafo Adjei, Senior Assistant Registrar, Mr. Isaac Manu; the Director of Publications Mr. Jojoe Annan and Mr. Eric Sekyere Appiah for their good work, support and advice.

Our profound gratitude to the School of Graduate Studies especially the Dean, Prof. George Kankam for his continuous support, advice, guidance, and mentoring on how to maintain a quality assurance mechanism on the graduate programmes. Again, to the Graduate School Registrar, Mr Jerry Addison Anyan, SoB will forever remain grateful to you for your great contributions towards this work. Gratitude also, Ms. Matilda Arko Mensah, Mrs Christina Asare -Bediako, Mr Samuel Amoabeng, and Madam Kukua Quarshie for their guidance and support.

1.0 INTRODUCTION

Mission

To train competent practitioners in Business and Management well-suited for the corporate world to conduct teaching, research and community service and to promote Business policies.

Vision

To be an internationally recognized and reputable School of Business to produce practically oriented and dynamic manpower in Business and Management.

Brief history

The School of Business was established in September 2017 at South Campus of the University

It started as Department of Business Education under the Faculty of Social Sciences Education in 2010/2011 academic year

The department initially began with BBA programme with Accounting and Human Resource Management options. In the 2015/2016 academic year, three additional options: Marketing, Procurement and Supply Chain Management, and Banking and Finance were added.

The School currently has Four Departments:

1. Accounting;
2. Management Sciences;
3. Applied Finance and Policy Management;
4. Marketing, Procurement & Supply Chain

The School of Business, University of Education, Winneba started their Graduate Programme, Master of Business Administration (MBA) in the 2019/2020 academic year with only two specialization areas. Thus, Master of Business Administration (MBA) Accounting Option, and Master of Business Administration (MBA) Human Resource Management Option.

In the 2020/2021 academic year, all the Departments in the School of Business started a graduate programme and the number of graduate programmes increase from two (2) to four (4). Each of the Departments has one (1) Graduate Programme. The programmes are:

- Master of Business Administration-Accounting Option
- Master of Business Administration Finance Option
- Master of Business Administration Human Resource Management Option, and
- Master of Business Administration Marketing Option

The School of Business, University of Education, Winneba is the fastest-growing school of Business in terms of new programmes development and increase in the enrolment of Students annually.

The Pioneers of Master of Business Administration (MBA) Students were Thirty-Eight (38) in number, made up of Seventeen (17) Graduate Students for MBA Human Resource Management and Twenty-One (21) for MBA Accounting. Thirty-three (33) MBA Students graduated with the first batch and the remaining five (5) Students will be graduating with the second batch.

In the 2020/2021 academic year, the number increased by over one hundred (100) percent. It increased from 38 to Eighty-Two (82) Students. Below is the breakdown by programmes:

- MBA Accounting Thirty-Five (35) Students
- MBA Human Resource Management option Thirty (30) Students
- MBA Finance Ten (10) Students
- MBA Marketing Seven (7) Students

In the 2021/2022 academic year, the School of Business is expecting at least Two Hundred and Fifty (250) Graduate Students because the number of graduate programmes in SoB has increased from Four (4) to Thirteen (13):

- Accounting Department: Two (2) Graduate Programmes
- Applied Finance and Policy Management: Four (4) Graduate Programmes
- Management Sciences: Three (3) Graduate Programmes
- Marketing, Procurement & Supply Chain Management: Four (4) Graduate Programmes

5.0 SCHOOL OF GRADUATE STUDIES (SGS)

The School of Graduate Studies. University of Education, Winneba started graduate programmes in the Colleges, Faculties, Schools, Institutes, and Departments for a long time. Some of the Faculties are having Doctorates Programmes like Doctor of Philosophy, Doctor of Education. The SGS has several roles to play in the Schools, Faculties, Colleges. Some of the responsibilities include the following:

- The Graduate School is in charge of shortlisting and submitting qualified students to the Departments for interviews to be conducted.
- In charge of issuing admissions to successful applicants (Graduate students)
- Responsible for taking and working on the Graduate Student's Thesis / Dissertation
- Managing the affairs of PhD, MPhil, MBA, MSc, MA, ME'd, PGDE, and PGDTLHE Programmes in the University.
- Responsible for developing, managing, monitoring and ensuring the quality of the Research Postgraduate Programmes
- Working closely with Schools, Faculties, Colleges, and Research Centres in recruiting high-quality Research Postgraduate Programmes and Doctoral students.
- Providing secretarial support to the Board of Graduate Studies
- Working closely with Schools, Faculties, Colleges, and Research Centres to develop a conducive research environment for grooming Master and Doctoral Students and monitoring their academic progress.
- Coordinating with the schools, faculties, colleges, and Departments in the effective implementation, administration of quality assurance and enhancement of PhD, MPhil, MBA, MSc. MA, and ME'd programmes.

- Assist the Board of Graduate Studies in policy formulation, regular review and update of policies, guidelines and regulations, and quality assurance and enhancement on all higher postgraduate degrees, and related matters.
- Promote effective synergy in the implementation, development, marketing, promoting, and managing the various higher postgraduate degree programmes of the University.
- Responsible for the monitoring and enhancing the quality of research supervision, internal assessment, external examination, and working closely with

Departments, Faculties, Colleges, and research Centres in organizing research supervision training programmes.

- Supporting the BGS in coordinating with the Colleges, Faculties, Schools on the strategic planning of Higher Degrees programmes and the monitoring of consistency and academic standards across all Higher Degrees programmes

Prof. George Kankam
The Dean,
School of Graduate Studies
University of Education, Winneba

6.0 THE GRADUATE COORDINATOR

In the 2019/2020 academic year, when the Master of Business Administration (MBA) Programme started in the School of Business, there was no office of the graduate coordinator.

The activities of the graduate Programmes were been coordinated in the Vice Dean's Office under the leadership of the former Vice Dean Dr. Bernard B. B. Bingab.

In August 2021, a Graduate Coordinator was appointed to help coordinate the activities of the graduate students and programmes in the School.

As part of the main duties and responsibilities of the Graduate Coordinator is to work closely with the Dean of the School of Business, Dean of the School of Graduate Studies, Heads of Department, and other members of the Graduate Committee. Some of the Duties and

Responsibilities of the Graduate Coordinator include:

- Ensure up-to-date online records of all Graduate Students in the School/Department
- Facilitate prompt and accurate registration of courses at the postgraduate level
- Facilitate timely examination of Graduate Students and inputs of examination results online
- Perform all other duties assigned by the Dean of Graduate Studies and the Dean of the School of Business
- Assist the Heads of Department in the implementation of Graduate and Academic Board Decisions and other policies on graduate students in the department
- Perform other duties assigned by the Head of the Department

I feel honoured, humbled, and privileged for the opportunity to serve the School of Business and the Graduate Students as the Graduate Coordinator. We, at the School of Business, have always been deeply committed to ensuring that students have a trusted source of knowledge, and academic excellence is our hallmark.

Dr. Ramatu Ussif
Graduate Coordinator,
School of Business
University of Education, Winneba.

7.0 THE GRADUATE STUDENTS

Responsibilities of the Graduate Students

The Graduate Students are responsible for ensuring that their programme of study is consistent with the approved programme as defined in their letter of acceptance and the respective section in the Graduate Handbook. The Students are expected to read the Graduate Handbook and any other relevant documents, including notices and the University Webpage to become familiar with all regulations and

deadlines relating to their programmes. The Graduate Students have some requirements to meet as far as their programme course work, research and supervision are concerned.

Program Requirements:

The main responsibility of the Graduate students is the timely and satisfactory completion of the program requirements course work and research. It is the duty and responsibility of the Graduate Students to familiarize themselves

with their programme requirements as described in the Graduate Handbook of the school of Graduate Studies, UEW.

Research Issues:

The Graduate Student should clarify such research issues as ownership of data, authorship of publications and joint research agreements, in writing, with their supervisors and other committee members in case of a research program (PhD, MPhil etc.)

Supervision:

The Graduate Student is responsible for maintaining timely contact with supervisors and committee members (PhD. MPhil) to keep them posted on the progress of their research. The graduate student is responsible for meeting deadlines set by the Graduate School and providing quality academic research for evaluation.

Problematic Supervisory Relationships:

The Graduate Student is responsible for interacting with supervisors and committee members professionally. They are responsible for maintaining positive working relationships. The Graduate Students are responsible for respecting requests for confidentiality and privacy in the research they are conducting.

Other responsibilities of the Graduate Students include:

- Registration as a student
- Submission of appropriate forms to the Department for signature and processing.
- Paying all fees required by Graduate School and meeting the deadline dates set out by the Graduate School.
- Students are responsible for the ethical, academic process and outcome of their research.
- They are to conduct academic pursuits ethically and develop professionally.
- Uphold the University of Education, Winneba Code of Conduct for Students.
- Defend the academic integrity for all coursework, including Regular, Sandwich. Weekend, and Distance learning courses
- Pursue all opportunities that advance a career as a Postgraduate Student and beyond.

8.0 SCHOOL OF BUSINESS

The School of Business, University of Education, Winneba is located at Winneba South Campus. Formerly, the School was under the Faculty of Social Science as a Department of Business Education in the North Campus. In 2010 the first batch of the BBA Accounting and BBA Human Resource Management were admitted and graduated in 2014. The Department of Business Education was changed to the School of Business when the Departments increased from two to four. Currently, the Four (4) Departments in the School of Business are:

- Department of Accounting
- Department of Applied Finance and Policy management
- Department of Management Sciences
- Department of Marketing, Procurement and Supply Chain Management

The School admitted forty (40) graduate students for the Master of Business Administration (MBA) First Batch. Out of this number, only two (2) students did not complete their coursework. Thirty-Eight (38) students completed their course work but five still working on their dissertation. Thirty-three out of the 38 completed their coursework and dissertation and graduated with their certificate in the first session of the UEW 26th Congregation and the remaining five (5) students will be graduating with the second session of the 26th Congregation, April 2022.

With the current MBA Students, from the four Departments, we are expecting to graduate at least Eighty (80) MBA Graduate Students in the coming Year thus, 27th Congregation.

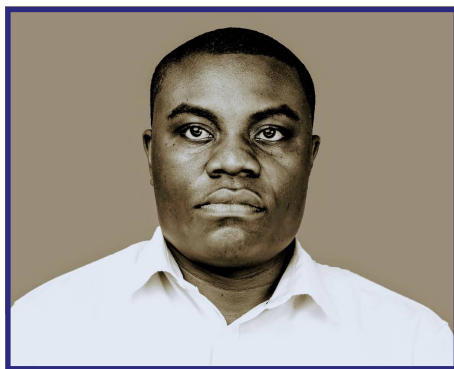

In the 2021/2022 academic year, the School of Business increase the number of their Graduate Programmes from four (4) to Thirteen (13) meaning, there will be an increase in the Postgraduate Students enrolment.

The Thirteen (13) Programmes are made up of two (2) Programmes from the Department of Accounting, four (4) from the Department of Applied Finance and Policy Management, three (3) from the Department of Management Sciences,

and four (4) from the Department of Marketing, Procurement and Supply Chain Management. The School of Business is expecting at least Two Hundred and Fifty (250) Graduate Students for the 2021/2022 academic year.

Dr. Joseph Ato Forson
Acting Vice Dean
School of Business
University of Education, Winneba

9.0 DEPARTMENT OF ACCOUNTING

The Department of Accounting presented Sixteen (16) Master of Business Administration Graduates in the first session of the 26th Congregation and the remaining five (5) graduates will be graduating with the Second Session of the Congregation.

The School of Business started the Postgraduate Programmes in the Departments of Accounting and Management Sciences because they have the majority of students. These two programmes first started under the Faculty of Social Science Education as the Department of Business Education.

Accounting Department has the highest number of Graduate Students in both the first batch and the Second Batch of MBA Students. This is because it is the oldest Programme in the school since 2010 when BBA Accounting started.

The Department of Accounting was formerly headed by Mr Samuel Gameli Gadzo and the current Head of the Department for Accounting is Mr George Kankam Jnr.

Currently, there are two Graduate Programmes in the Accounting Department for the 2021/2022 academic year:

- Master of Business Administration, Accounting Option

Mr. George Kankam Jnr.
Head of Department
Accounting
School of Business
University of Education, Winneba

10.0 DEPARTMENT OF APPLIED FINANCE AND POLICY MANAGEMENT

The Department of Applied Finance and Policy Management was formerly known as the Department of Banking and Finance.

The name was changed in 2021 after deliberation by the Board of Management of the University, the School of Business, Ghana Tertiary Education Commission (GTEC), National Accreditation Board (NAB) and others under the leadership of the Dean, School of Business, Prof. Awaisu Imurana Braimah, former Vice Dean Dr. Bernard.B.B.Bingab, and the

former Head of Department Dr. Joseph Ato Forson including the Staff of the Department.

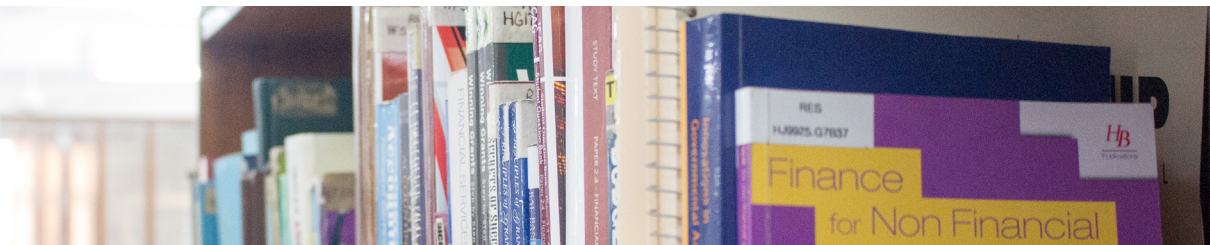

The Department is currently headed by Mr Samuel Gameli Gadzo.

After the change of name, the Department has been able to introduce new Postgraduate Programmes in addition to the weekend Master of Business Administration, Finance Option which started in the 2020/2021 academic year.

The Graduate Programmes available in the Department for the 2021/2022 academic year are Four (4) in Number:

- Master of Philosophy in Finance
- Master of Philosophy in Development Finance
- Master of Science in Development Finance
- Master of Business Administration Finance Option

Mr. Samuel Gameli Gadzo
Head of Department
Applied Finance and Policy Management
School of Business
University of Education, Winneba

11.0 DEPARTMENT OF MANAGEMENT SCIENCES

The Management Sciences Department was formerly the Human Resource Management Department. In 2021, the name of the Department was changed to Management Sciences under the leadership of Dr. Isaac Brako and with the support of Dr. B.B. Bingab and other Staff of the Department.

The first Master of Business Administration MBA Programme in the Department was the Master of Business Administration, Human

Resource Management, Option. The Department is currently headed by Mr. Kwame Owusu Boakye. The Department of Management Sciences has three (3) Graduate Programmes for the 2021/2022 academic year:

- Master of Philosophy in Human Resource Management
- Master of Business Administration in Human Resource Management
- Master of Business Administration in Management Information System

Mr. Kwame Owusu Boakye
Head of Department
Management Sciences
School of Business
University of Education, Winneba

12.0 DEPARTMENT OF MARKETING, PROCUREMENT, AND SUPPLY CHAIN MANAGEMENT

The Department of Marketing, Procurement, and Supply Chain Management are two in one Department to be divided soon into their separate Departments.

The Departments are:

- Department of Marketing, and Entrepreneurship
- Department of Procurement, and Supply Chain Management

The Head of the Department for Marketing, Procurement, and Supply Chain Management is Dr. Mawuko Dza. The first batch of Master of Business Administration (MBA) started in the 2020/2021 Academic year with the Master of Business Administration,

Marketing Option. The first batch of MBA Marketing Students will be graduating in the year 2022.

In the 2021/2022 Academic Year, the Department would be running other Master of Business Administration and Master of Philosophy Programmes. Four (4) different Programmes are currently available in the Department:
