UEW ALUMNI EXPRESSION (OATH) OF ALLEGIANCE

I, (please state your name), do solemnly promise that as a graduate of the University of Education, Winneba (UEW), I will act with utmost integrity and conduct myself in ways that bring honour to the University, to the community and to the nation.

UEW AT A GLANCE

BRIEF HISTORY

The University of Education, Winneba (UEW) was established in September, 1992 as a University College under PNDC Law 322. On 14th May, 2004, the University of Education Act, (2004) Act 672 was enacted to upgrade the status of the University College of Education of Winneba to the status of a full-fledged University.

The University College of Education of Winneba brought together seven diploma awarding colleges located in different towns under one umbrella institution. These Colleges were the Advanced Teacher Training College, the Specialist Training College and the National Academy of Music, all at Winneba; the School of Ghanaian Languages, Ajumako; the College of Special Education, Akwapim-Mampong; the Advanced Technical Training College, Kumasi; and the St. Andrews Agricultural Training College, Asante-Mampong.

By enactment of the Akenten Appiah-Menka University of Skills Training and Entrepreneurial Development Act (2020) Act 1026, the Kumasi and Asante-Mampong Campuses have ceased to be satellite campuses of UEW.

THE UNIVERSITY LOGO

The principal motif of the University Crest, the “Adinkra Ntesie” is a Ghanaian cultural symbol associated with wisdom and knowledge as essential ingredients of education.

Arising from the “Adinkra” motif is a torch radiating its light in all directions, suggesting that the knowledge nurtured at the University would become a source of enlightenment to all people far and wide. It is a flame that would dispel the darkness of ignorance.

The red colour combines with the blue against a background of pure white to symbolise hard work and perseverance. All the symbols are set in a circle bearing the motto: Education for Service and symbolising the completeness of training at the University of Education, Winneba.

The Starburst motif of the Crest is made up of different wave lengths and conveys the idea that teachers trained by the University would disperse into every corner of the country and render services to all Ghanaians irrespective of social status, religion or sex.
