ORCID ID: orcid.org/0000-0001-9354-6675

Place of Birth: Takoradi, Western Region, Ghana
Date of Birth: 29/01/1978
Nationality: Ghanaian

Personal Statement

I am a result-oriented professional in the field of Communication with over a decade of experience in teaching Communication and Media Studies courses in Higher Education Institutions. I have a proven depth of experience in lecturing and researching in the field of Communication and Media Studies and this has not only equipped me with a rounded set of skills to successfully carry out a wide range of research projects in effective and professional manner, but also gained insights that enable me to integrate the current needs of professional journalism practice in my teaching. My strong people skills have enabled me to develop an excellent team work ethics that have motivated graduate and undergraduate students to perform to their maximum capability and ensured successful collaborations with other researchers on projects of mutual interests. My positive approach and ability to communicate at all levels means that I can help develop my own career and that of others.
