UEW
AT A
GLANCE

BRIEF HISTORY

The University of Education, Winneba (UEW) was established in September, 1992 as a University College under PNDC Law 322. On 14th May, 2004, the University of Education Act, (2004) Act 672 was enacted to upgrade the status of the University College of Education of Winneba to the status of a full University.

The University College of Education of Winneba brought together seven diploma awarding colleges located in different towns under one umbrella institution. These Colleges were the Advanced Teacher Training College, the Specialist Training College and the National

Academy of Music, all at Winneba; the School of Ghana Languages, Ajumako; the College of Special Education, Akwapim- Mampong; the Advanced Technical Training College, Kumasi; and the St. Andrews Agricultural Training College, Asante-Mampong.

By enactment of the Akenten Appiah-Menka University of Skills Training and Entrepreneurial Development Act (2020) Act 1026, the Kumasi and Asante-Mampong Campuses have ceased to be satellite campuses of UEW.

THE UNIVERSITY LOGO

The principal motif of the University Crest, the “Adinkra Ntesie” is a Ghanaian cultural symbol associated with wisdom and knowledge as the essential ingredients of education.

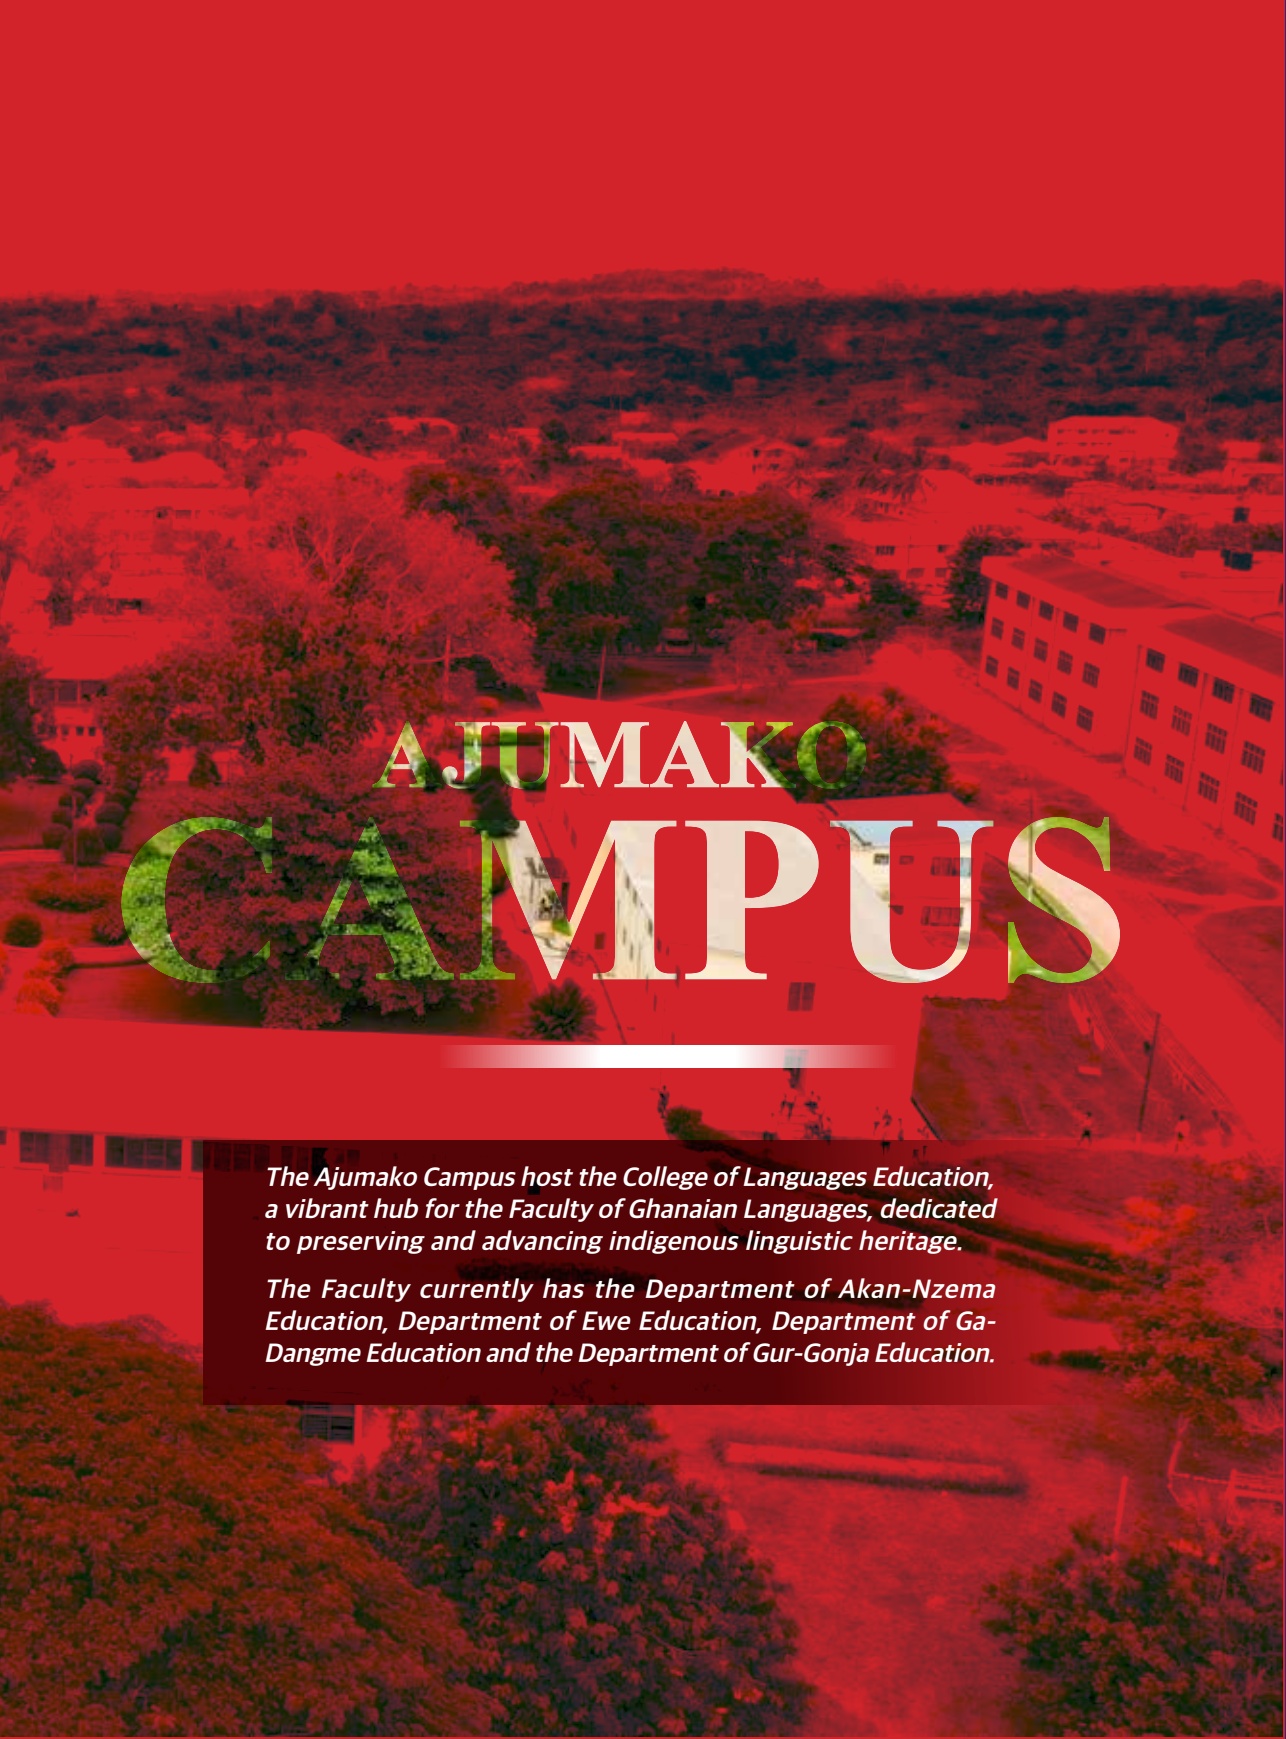

Arising from the “Adinkra” motif is a torch radiating its light in all directions, suggesting that the knowledge nurtured at the University would become a source of enlightenment to all people far and wide. It is a flame that would dispel the darkness of ignorance.

The red colour combines with the blue against a background of pure white to symbolise hard work and perseverance. All the symbols are set in a circle bearing the motto: Education for Service and symbolising the completeness of training at the University of Education, Winneba.

The Starburst motif of the Crest is made up of different wave lengths and conveys the idea that teachers trained by the University would disperse into every corner of the country and render services to all Ghanaians irrespective of social status, religion or sex.

PROFILE OF BEST GRADUATING STUDENT

PROFILE OF LAWRENCE GYASI SNR VALEDICTORIAN, CLASS OF 2025

Lawrence Gyasi Snr, Valedictorian for the Class of 2025, hails from Shama in the Western Region but was born in Dunkwa-on-Offin in the Central Region of Ghana. He is the eldest of five children in a remarkable family made up of two sets of twins—two boys and two girls alongside one additional sibling. A devoted member of the Twelve Apostles Church of Ghana, Lawrence has served in various ministry and leadership roles, reflecting a deep commitment to service and spiritual growth.

His educational journey began at Kyeremfem D/A Basic School and continued at Boa Amponsem Senior High School, both in Dunkwa-on-Offin. He later trained as a professional teacher at Fosu College of Education, where he discovered a strong command of the Asante Twi language. This passion was further nurtured during his posting to the Denkyira Obuasi Circuit, where he taught Integrated Science and Asante Twi. Alongside his teaching duties, Lawrence pursued his interest in broadcasting, joining Solar FM as a news anchor. His dedication and professionalism have since earned him the role of Programmes Manager at the station.

Throughout his studies at the University of Education, Winneba (Ajumako Campus), Lawrence established himself as a passionate language advocate, committed to promoting effective communication and linguistic empowerment. He has consistently championed initiatives that highlight the importance of language in shaping identity, education and social development, making him a strong voice for linguistic inclusivity. His leadership and academic excellence have earned him numerous recognitions, including the NUGS Excellence Awards for Outstanding Language Scholar and Distinguished Advocate for Linguistic Heritage in 2025 as well as the ASGHAL Excellence Awards for Overall Best Student and Local Language Advocate of the Year. He has also served as SRC correspondent for Radio Windy Bay, coached the College of Languages Education netball team, participated in the SRC vetting committee for two consecutive academic years and founded the Speak Ghana Early Initiative.

His research work, titled “Functional Analysis of Language in the Speech of a Three-Year-Old Akan-Speaking Child: A Case Study (Twi),” reflects his deeper academic interest in understanding language development among young learners. Looking to the future, Lawrence aspires to safeguard the authenticity of Ghanaian languages and promote their meaningful use among children. Through the Speak Ghana Early Initiative, he hopes to help young learners develop strong linguistic roots and a proud connection to their cultural heritage.
