Research Interest and Personal Profile

I am a Professor at the Department of Geography Education, University of Education, Winneba. I am a reliable and I possess excellent time keeping skills. I am an enthusiastic, responsible and hard-working person. I am a good team player who is adaptable to situations, including challenging ones. I am able to work as a team player as well as using my own initiative. I have experience in teaching at the tertiary level and working with NGOs within and outside. My research focusses on urban Geography, housing typologies in Africa with emphasis on poor housing and community infrastructure, environment and Society, social inequality; teacher education, community governance, gender and social development issues.
